

# Online Resources to Help You Manage Risks

## Risk Management Center

Our commercial policyholders have access to the Risk Management Center, a unique web-based software suite of safety and risk management tools. It provides your organization with an online risk reduction and safety resource library that includes safety training guides, presentations and training videos.

### [Learn More](#)

For access, contact your local Loss Control Consultant or email us at [losscontrol@celinainsurance.com](mailto:losscontrol@celinainsurance.com). Please provide your company name, contact name, policy number, phone number and email address.

## Supervisor Safety Training

Because they work directly with the employees, one of the keys to a successful safety culture is safety leadership training for first line supervisors. Our Risk and Safety Consultants can advise you and direct you to resources available for training supervisors. Contact our [Loss Control department](#) for more information.

## Return to Work (RTW) Program Guidance

Control workers compensation premium costs by returning injured workers to work as soon as practical. We offer assistance in policy and program development, identification of light/modified duty jobs, on-site job analysis and more. For more information, [view our worker compensation resources here](#) or contact your local Risk and Safety Consultant.

## Employer Protection Resource Center

Our Employment Practices Liability Insurance (EPLI) policyholders receive access to the [Employer Protection Resource Center](#), a compliance solution to help address your organization's specific needs.

## Business Continuity Planning

Visit [ready.gov/business](https://www.ready.gov/business) to find preparedness planning resources for your business. Online toolkits will help you prepare for hazards such as floods, tornadoes, accidents and power outages.
